Product Description

10W Outdoor LED Bulb with Color Temperature Range 3000K-6500K

Product Description:

Outdoor LED Light Bulbs are designed to provide long-lasting, energy-efficient lighting solutions for outdoor spaces. These external LED light bulbs produce a superior light quality with a color temperature range of 3000K-6500K and a luminous flux of 1000 lumens. The 10W power consumption makes these LED bulbs an extremely energy-efficient choice compared to traditional lighting options. The size of the bulbs is 3.5*3.5*4.7 inch, and the package comes in a white box. The Outdoor LED Bulb is perfect for outdoor lighting applications such as lighting up pathways, driveways, garden, and more. With an impressive lifetime of up to 30,000 hours, these outdoor LED light bulbs are a cost-effective and reliable choice for any outdoor lighting needs.
